Application for Blue Seal Permit

Read both sides before completing this application. In order for a permit to be issued, all information requested must be completely filled out and is subject to verification. All entries must be in ink or typed. It is unlawful to falsify any application, which grants permission to obtain a permit to remove native plants. **Never sign a blank application.**

NOTE: If property has been purchased within the last 18 months, a copy of the tax assessment or deed records must be presented with this application.

I hereby certify that the plants listed on this application are in my cultivated or landscaped yard and are not from their original or natural growing site.

Signature of Property Co-Owner _____

The intended receiver must pick up the seals and string at one of the offices listed on the back of this form.

I acknowledge that I have received the following number of seals and string:

_____ Seals _____ String

Signature _____ Date _____

As a homeowner, you have the right to remove, sell or give away any native plant growing in your yard. However, no person may legally transport native plants from any land without first obtaining a permit from the Arizona Department of Agriculture. **The intended receiver must pick up the seals and string at one of the offices listed below.**

The use of this form is intended to protect the homeowner and the native plants growing in his yard. **Renters and lessees are reminded that rental property leased to you does not give you the authority to remove these plants** unless the property owner gives official permission.

This permit will be refused if the tax parcel identification number is not given.

Movement permits are priced at \$5.00, and each seal is 10¢ each.

The following is a partial list of some of the generally accepted common names of Arizona native plants. Please use these names as accurately as possible. Be sure that the native plants that you plan to remove are actually on the land described on this application.

Cactus _____		Other Plants _____	
Barrel	Night-blooming Cereus	Agave (Century Plant)	Mesquite
Cholla	Coryphantha	Desert Spoon (Sotol)	Ocotillo
Hedgehog	Prickly Pear	Ironwood Tree	Palo Verde
Mammillaria	Saguaro	Joshua Tree	Yucca
