

ARIZONA GRAIN RESEARCH AND PROMOTION COUNCIL

SUBSTANTIVE POLICY STATEMENT

10-01 Open Meeting Law Website

The Arizona Grain Research and Promotion Council is subject to the Open Meeting Law. Therefore, revised A.R.S. § 38-431.02(A) requires the Council to conspicuously post a statement on its website stating where all public notices of its meetings will be posted. The Council does not have its own website. The Council does, however, contract with the Arizona Department of Agriculture for administrative services, including services related to the Open Meeting Law. Moreover, the Council presently uses the Department's website to provide information to the public about the Council. Accordingly, the Council will use the Arizona Department of Agriculture website as its own website for the purposes of A.R.S. § 38-431.02(A).

DATED: July 19, 2010

This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona administrative procedure act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under section 41-1033, Arizona Revised Statutes, for a review of the statement.
